

WE CARE! WHAT IS IT?

1. A **METHODICAL** process to find those that are receptive to the gospel – Luke 14:23
2. A method that **DOCUMENTS** your Outreach progress
3. A plan to knock on **EVERY DOOR** in your city or community. Your Area Population: _____
4. Assumes **THREE** basic things:
 - Most people have problems!
 - Most people will respond in a positive way once they are convinced that you care about them and their problems
 - Sharing the gospel is **ALWAYS** God's will...the **HOLY SPIRIT** will prepare someone to be receptive to you!
